Good News From Virginia!

As I dictate this, we already have the minimum number of signatures on our petitions for the Governorship of Virginia! It has proven so easy to get signatures that I am sending the boys out over the week-end and expect to have DOUBLE the minimum number for filing by Monday, April 19th.

But this is not the real good news!

The two major parties in Virginia are falling all over themselves to elect us!

In Charlottesville, a White stronghold where my speeches have been received with wild enthusiasm and cheers, the Democrat hopeful, "We-Shall-Overcome Godwin", came out with a rip-roaring race-mixing speech pledging "FULL EQUALITY" in the finest tradition of the niggers and the Communist Party.

Here's the clipping from the Washington Evening Star!

The Evening Star

WASHINGTON, D. C., MONDAY, APRIL 12, 1965

'Full Equality' Is Pledged By Godwin

By the Associated Press

Lt. Gov. Mills E. Godwin, the only announced candidate for the Democratic gubernatorial nomination, has called for the power to see that "full equality under the law is given to our entire population."

He made the statement in a speech Saturday night to a fund-raising dinner at Charlottesville attended by some 350 8th District Democrats, including three or four Negroes for the first time in District history.

It is well to remember that "America is not static, that it is dynamic, it is the embodiment of promise," Godwin said. "Where freedom is threatened, we must protect it, and oppression must be resisted."

Godwin appeared with his probable running mates—Del. Fred G. Pollard of Richmond, the only announced candidate for lieutenant governor, and Atty. Gen. Robert Y. Button, so far unopposed for re-election.

The dean of Virginia's congressmen, Rep. Howard W. Smith of the 8th, introduced Godwin and said he "has earned his spurs through experience and will make you a splendid governor, as his predecessors have done."

This gentleman is my only real competition in the election in a state which is overwhelmingly segregationist!

But that's not ALL the good news!

Here's another clipping from the New York Times. Both major Parties are running NIGGERS in the election, and at least one expects to WIN!

2 PARTIES TO RUN VIRGINIA NEGROES

Backing Expected in Races for Legislature—Election of One Seems Assured

By JOSEPH A. LOFTUS
Special to The New York Times

WASHINGTON, April 10 — Negroes in both parties have announced that they are candidates for the Virginia House of Delegates from the Richmond district. The probabilities favor the election of a Negro for the first time since Reconstruction days.

Negroes have run as Democrats or Independents before, but not as Republicans. Never before, however, has the Democratic organization supported a Negro candidate for the Legislature as it is reported ready to do now.

He is Dr. William Ferguson Reid, a surgeon. Arch conservatives and moderates in the Richmond Democratic party were reported to have agreed this week that one of the eight seats in the district, which contains the city and adjoining Henrico County, should go to a Negro.

Dr. Reid is the choice of these leaders, it is said, but their decision is complicated by the candidacy of another Negro Democrat, Colston Lewis, a lawyer.

Primary on July 13

The Democrats will nominate in a primary on July 13.

Support of Dr. Reid by the Richmond leaders of the so-called "Byrd Organization" does not necessarily mean that this has the approval of Senator Harry F. Byrd, Democrat of Virginia.

Senator Byrd is far less involved in the state's political affairs than he used to be. Leadership decisions have been falling more and more to Sidney S. Ellam, the National Committeeman.

The Republicans will choose their candidates in a convention on May 15, at Norfolk. The legislative nomination is virtually certain to go to Clarence Townes Jr., assistant to the state chairman.

Robert J. Corber of Arlington, Va., who practices law here, is the chairman. He has given Mr. Townes a strong endorsement.

Both parties have been courting Negro voters assiduously. The Democratic organization's change of attitude is the more dramatic. Until a few years ago, the official Democratic theme was "massive resistance" to integration. Lieut. Gov. Mills E. Godwin was its prophet.

Mr. Goodwin has taken a sharp left turn in the direction of moderation and is expected to be the organization's candidate for governor.

The Republicans, however, are determined not to let the Democrats forget their recent past. They are planning the

With this kind of grist for our mill, we will have a picnic, to mix a metaphor.

You would think this enough help to expect from the Republicrats and Demicans, -but these gentlemen seem SO anxious to help us to victory that there is yet MORE!

Tricky Dicky Nixon has trumpeted that he is coming to stump Virginia for the Republicans!

This will draw off from "We-Shall-Over-Come" Godwin all the Kosher Conservative votes,

the only vote besides the Jew and nigger votes that I have to worry about.

The enemy, in short, has fallen for one of the oldest strategic errors in history, -believing his own lies and propaganda.

We are a tiny band of "kooks" and "discredited" nuts, etc etc. whom they have been blacking out of the national news for so many years, now, that they really BELIEVE we are without support and too idiotic to worry about.

They will get their first shock when I file, Monday, and the second when I appear on Television as a bona-fide candidate!

In Dallas two weeks ago, Gene Guinn, a candidate for the City Council, asked for and got my endorsement, as a NAZI CANDIDATE!

Needless to say, he was hit with everything in the Jew and communist and Kosher-Conservative book. He was bounced from his church, his organizations, the American Legion, etc, and his wife finally walked out of the house under the vicious Jew pressure. So he withdrew from the election. He was almost totally blacked out in the Dallas papers. But it was too late to get his name off the ballot. The papers hollered that he had quit, however, and had no support.

Nevertheless, Guinn got more than FOUR THOUSAND VOTES, and actually WON in one precinct! This with no campaign, no help, curses from all machines and attacks by his own friends. The only thing he had was some news of his NAZI backing on Dallas TV.

Our Dallas group almost exhausted themselves proving that point, and winning a battle of wills with the Jews and their "conservative" allies.

The results were well worth it!

The Jews are finding out that Nazis are a new breed of right-wing patriot, a breed you cannot beat, a breed which FIGHTS even with the whole world, including our own side, cursing and attacking us.

In Virginia we are dug in solid and READY!

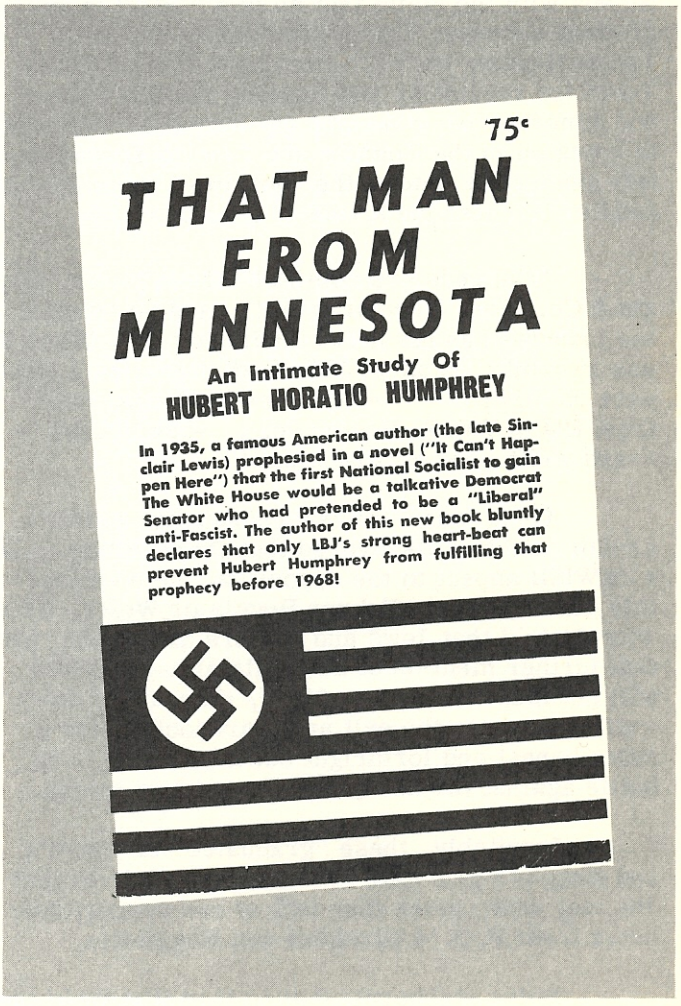
The work of six long, bitter years of privation and misery and heartbreak are about to pay off in "spades" --spades to dig the graves of the liars, traitors, cheats and cowards who have led this great Republic to the brink of oblivion!

If you ever wondered what you could DO to start WINNING instead of always talking and losing, I suggest you go all out, as never before to WIN POWER IN VIRGINIA! We're on the way! Do your share, and watch the Jew-communist and nigger agitators RUN on November 2, 1965!

Your Money Or Your Life

I must confess that when I launched my own personal attack on Jew communism and race-mixing by hanging up the swastika, I never imagined I would get the kind of reaction I have from my OWN side, -the anti-communists.

Our folks in Amarillo recently gave me a copy of new and utterly fantastic book being spread around the "movement", ...here's the cover:



75¢
THAT MAN FROM MINNESOTA
An Intimate Study Of
HUBERT HORATIO HUMPHREY
In 1935, a famous American author (the late Sinclair Lewis) prophesied in a novel ("It Can't Happen Here") that the first National Socialist to gain The White House would be a talkative Democrat Senator who had pretended to be a "Liberal" anti-Fascist. The author of this new book bluntly declares that only LBJ's strong heart-beat can prevent Hubert Humphrey from fulfilling that prophecy before 1968!

This book is, in essence, the story of one of the super-cruds in our national life, -or rather our national death; Hubert Humphrey.

Nobody on the face of this earth despises HHH more than I do, or more than any good Nazi does. He is an utterly despicable creep, a sissy

if not worse, a tireless toiler in the vinyards of communism, a disgusting demagogue of the worst and most vicious sort, and the darling of the Jews, niggers and reds. I think his record betrays unmistakeable signs that he ought to carry a Communist Party card, -if he doesn't already.

Yet this "right-wing" book makes Hubert Humphrey out to be a FASCIST and a NAZI!

Probably the only thing in this life that Horrible Hubert and I would agree on would be the utter insanity of THAT charge. If I really thought that what I believe is what HE believes, I would be forced to quit being a "Nazi" and look into the possibility of getting Gus Hall to let me in.

The actual reason for this vicious coupling of a very excellent and necessary attack on Horrible Hubert with the claim that he is a "Nazi", is our growing success. The Birch Society and Billy James Hoggis, etc have become a sort of Hitler-Youth for recruiting and training NAZIS. Decent and honest Americans who get disgusted with what is going on in the Country and join the Birch Society get a good dose of the "horrors" commercially peddled by these hucksters of patriotism.

"The reds are coming!" shout Welch, Hoggis & Co. "Run for your lives!" -and so on until the inductee has his hair standing on end. When the new recruit then asks, "My God! What can I DO to save us all?!?!" ----the answer flashes back from HQ in Tulsa, Boston, etc, --"Send Cash!--and write your congressman!"

Then, when the new recruit has writer's cramp, and has discovered that there seems to be a JEWISH aspect to the opposition, he mentions this glaring fact to Fuhrer Hoggis or Welch. He is sternly told that Jews and niggers are TOPS, and that further mention of such vile anti-semitism will get him thrown out. Many, thereupon, don't wait, but run to the exit and start looking for a more honest and forthright outfit in which to do battle against the newly discovered Jew enemy.

Inevitably, these "graduates" of Welch's and Hoggis's gravitate to ME, thank God! In just the last year, more than 50% of our support has come from P.O.'d Birchers and Hoggisites.

Being stubbornly determined that their oh-so-sneaky approach is right, and mine is suicide, these knights of the pen and the prayer and the appeal are then driven to find ways to attack me in hopes of keeping their milking cows in the corral. Their first gambit was to spread the foul lie that I am a TOOL of the reds and Jews. This has involved them in some pretty dangerous legal difficulties which were likely to prove fatal.

So the next step is to try to make out that the ENEMY are really all Nazis, thus making me an "enemy" without the dangerous necessity of SAYING so.

And so we have "That Man From Minnesota"!

Observe that NO AUTHOR IS LISTED!

A man named "Fredrick Beach" is given a credit for "assistance", but nowhere in the whole book are we told who WROTE this thing. And the publisher, the "Spirit of '76 House", Holliston, Mass., is utterly unknown to any of us. (I have already put the wheels in motion to track down the courageous authors and publishers of this filthy little booklet, and will report findings soon.

In the meantime, let me demonstrate to our readers just how wretched is the argument of this book that HHH is really a "fascist" and a "Nazi".

Believe it or not, the anonymous authors of this thing claim that Humphrey and Mussolini are actually ideological TWIN BROTHERS!

Mussolini was for "state control", -and so is Humphrey, ergo Humphrey is a "fascist"!

This might be swallowed by a few shallow and uniformed thinkers, but our concealed author is then forced to go a step further, to get at me.

"Fascism is Nazism", continues our invisible mentor, "Hitler was a Nazi, ergo Hitler and Humphrey are also twin brothers!"

Now the guy realizes he has waded into some pretty deep and overly warm water, because Hitler is pretty famous for blasting Jews and for preaching that the Whites are a "Master Race", ...WHILE HORRIBLE HUBERT IS GOING ALL OUT FOR NIGGERS AND JEWS!

Believe it or not, the sneaky SOB wriggles out of this (for the boobs), by claiming that Hitler added anti-Jewishness and racism to his movement only as an AFTER thought, years after he came to power, and after the people got mad at him for "failing".

A cursory reading of Mein Kampf, which even the Jews admit was written in the very early days of Nazism, shows that anti-Jewishness and racism IS Nazism, -and the beating heart of the whole book, Mein Kampf.

Perhaps we may gain an insight into the scholarly depths of the minds of the Kosher Conservatives who wrote this nasty, stupid little book by noting the way they spell "Mein Kampf". Here's an actual photo of a page with their spelling, showing their familiarity with the book.

public. Hitler and Mussolini had been forced to resort to bribes and threats of fines or imprisonment to bring writers into line as subservient slaves. Humphrey did it the easy way — by capturing the loyalty of many who serve as eyes and ears of the Press, and who are in a position to slant and distort the news and views that people read daily!

Humphrey *needed* this favorable press. If the truth ever got out about what he was driving at with his 'idealistic' slogans, the public would have squelched Hubert right then — at the start of his national ambitions. For this was in the midst of the two-year period when Senator Robert A. Taft and the Jeffersonian Republicans were in power in Congress. The American people, reacting against wartime controls and yearning once more for the individual freedom they hadn't known since 1933, were in the right mood to heed the truth about Humphrey.

Supposing that *right then* the country's reporters and columnists had pointed a damning finger at Hubert and had said: "Your ideas for government planning, controls, regulation, spending and taxation could have come right out of the pages of Adolph Hitler's *Mein Kamph* . . . . the book in which the nazi dictator prophesied what he would do when National Socialism gained power in Germany." Can you imagine uproar that would have greeted Humphrey?

But, alas, no such public warning was issued by most of the Press. Quite the contrary: the Press largely described Humphrey in glowing terms. Hidden from view was the fact that, with communism as a goal discredited by Stalin's excesses, the Fabian Socialists had shifted their aims toward fascism-national socialism. They differed from Mussolini now, as they had dif-

had taken possession of their traditional 'home' Party. And in this they were correct!

Of course, Humphrey's friends in the press immediately switched on the wind machines and praised him as a great 'idealist'. But none told the American people the truth — that he was once again walking in the footsteps of Mussolini. For the young and ambitious Benito Mussolini had likewise gained the Italian national spotlight for himself years earlier by a speech so demagogic that it drove out of his (Socialist) Party such 'conservatives' as Bissolati, Bonomi Cabrini and Podrecca (during the Party Convention in July, 1912 at Regio Emilia). But supposing that we grant that Hubert was an idealist. Nevertheless. we are still faced with the fact that his 'ideals' run completely in opposition to American libertarian traditions!

Would people have scoffed if his strong stand on Civil Rights had been called fascist at the time? Possibly. The war-time excesses of Hitler — when he butchered six million innocent people — had already blotted out his and Mussolini's earlier records. People had forgotten that fascism and national socialism were political. social and economic doctrines — that only after the German public had grown angry and disillusioned by the failure of Hitler's urban renewal schemes and job retraining camps and deficit spending programs had Hitler begun murdering Jews — they became the guiltless scapegoats for his inevitable tailures.

But it is not necessary to try and prove that Humphrey's Civil Rights proposals were the beginning of national police state powers. It is only necessary to demonstrate that he was, *like Mussolini before him*, an "idealist' who spurned racial and religious bigotry. And that can be proven easily. Take, as just one source of

These guys are determined to love the Jews, and write that all six million of the supposedly gassed Jews were "innocent", -no German Rosenbergs, no Soblens, no Sobles, no Greenglasses, no Harry Gold, no Judy Coplan, no Mesarosh, no Brothman, no Moskowitz, etc etc. In short, Communism AIN"T Jewish, andtherefore, Hitler and Humphrey were one and the same, and Adolf was only putting on about the Jews just to keep the people's minds off what a "flop" he was!

The lesson in this latest bit of conservative insanity and suicide is that as long as we consent to remain on the chosen grounds of the Jews, economics, -we are WHIPPED, --as are the Kosher and all other varieties of conservatives.

The battle of our times is not one of ideas or systems of government or even "freedom", but, as Hitler put it in Mein Kampf, Armageddon is to see if the world is going to be run for the benefit of and by JEWS and their black armies, --or the White Christian people who BUILT it.

The battle is no sophisticated, brand-new, hard-to-understand struggle between complex ideas,

-but the ancient and eternal struggle between two tribes of men for survival.

The battle is between WHITE CHRISTIANS or GENTILES, --and JEWISH PREDATORS seeking to seize by force, stealth and subversion, what our people created, -the most marvelous and luxurious civilization in history.

He who is afraid to face up to that FACT, -infact is afraid even to MENTION the Jewish problem, is forced to fight the Jews on THEIR terms, on economic grounds, and is doomed to certain and rapid failure.

Hubert Humphrey is working with Jews, niggers and communists, and is working against WHITE CHRISTIANS.

But the Kosher conservatives have aced themselves out of ever mentioning that key FACT, since they must keep loving and worshipping Jews and niggers and denying that our civilization IS White and Christian.

Therefore, they become livid and panicky with rage and fear when Nazis appear and stand up in public and tell the TRUTH! It exposes them for the rank cowards and fakers they are.

Warning!

Never, in all the years I have struggled in the movement, have I accused a fellow right-wing leader of being an enemy agent, in spite of the fact that almost ALL the right-wing has been blasting me with this vicious lie for years. I have believed on good grounds that the enemy doesn't NEED to infiltrate us with "agents". Most rightists are too big-mouthed, cowardly, foolish and utterly ineffective without such methods. Further, I simply could not bring myself to LIE, as have so many done to me. I STILL don't see how those who KNOW me can bare-facedly claim I am working for the Jews or communists.

But now I have enough evidence so that I feel it my duty to pass along a warning to the whole movement. I can not say outright that the subject IS an agent, but I can and do say there is enough evidence to print as a warning.

For years I have watched young men get carried away with the "Minuteman" pitch. One of the most tragic of these was Don Branch, now doing twenty years in prison as a result of ignoring my warnings and getting mixed up with Minutemen and illegal weapons, dynamite, etc. Don was actually "afraid" of the "Nazi" approach, and thought the Minuteman business would be safer.

Dozens who have thought the same thing have wound up in penitentiaries. I would not object even to this, if there was a gain worth all that human sacrifice and misery. But there isn't. Those who claim to be waiting to shoot AFTER our Country is taken over are damned fools or fakers. Any experienced military commander can assure you that an outfit like the Minutemen wouldn't last a full WEEK against the armed might of our Armed Forces. And any claim that our own army won't attack, if ordered, is made ridiculous by the fact that it was one of America's greatest patriots who stuck those bayonets in the backs of Americans and little whit girls in Little Rock, -General Walker!

After watching a parade of good young fighters go to jail following the Minuteman pitch, I next noticed the action of the Minuteman LEADER, Robert DePugh, at the NSRP convention in Montgomery, Alabama. In those days, the NSRP was doing pretty well, and, with the huge city auditorium well advertised as the scene of the convention, with the public invited, there was little question it would be filled to capacity.

The night before the convention, DePugh was interviewed on Montgomery TV and announced, as a featured speaker at the convention, that Negroes would be welcomed!

Needless to say, the convention was deserted! (The only event was that Ed Fields had my lads thrown in jail for trying to pass out a letter Don Branch had written from jail, BEGGING the ANP and NSRP to quit squabbling!)

Now I have another piece in the jig-saw puzzle. In Dallas, last weeek, I learned that a group of top patriots and wealthy right-wingers held a meeting to see what could be done about the deadly money situation and the Federal Reserve swindle. They had found a miraculous LOOPHOLE in the laws which would have enabled them to smash the whole debt-ridden U. S. currency swindle and enforce the issue of Constitutional, national money. DePugh was one of the men at this topsecret meeting in Dallas. The men agreed to pool all resources and start the ball rolling immediately the next morning.

The next morning, DE PUGH disappeared!

And within ten days, John Kennedy issued an EXECUTIVE ORDER PLUGGING UP THE LOOP-HOLE.

It is obvious that there are few pieces of information the Jews and rats would want more than a complete list of who, in the USA, is ARMED and willing to FIGHT.

If an agent of the CIA or the ADL were to set up as a "Minuteman" leader, he would be in a better position to come by this information than a thousand "watchers", snoops or "agents".

If I were the enemy, I would set up precisely such an outfit as the Minutemen, for two reasons: (1) To keep accurate track of the hard core of armed patriots, and (2), to prevent that hard core from doing anything really effective.

I think the evidence and the probabilities leave honest patriots little choice. I again warn good men to STAY AWAY FROM ILLEGAL WEAPONS, DYNAMITE AND DE PUGH!

And while I am on the "spy" subject, let me add another note of warning. I have evidence that the "right-wing bookstore" in at least ONE city may be run by the enemy. Can you think of a BETTER spot from which to keep track of our people?

I have never joined the "always-look-under-the-bed" crew of spy-hunters in the right-wing, and have not called all my enemies "spies" as is so common in the movement. But I also believe in passing along SOLID information when I get it. I believe in patriots being well armed with legal weapons, and I belive in studying right wing books and literature. But I also believe we must be careful when dealing with people in IDEAL spots to keep track of us and emasculate our efforts to fight.

New Jew Danger

I believe there is a good possibility that the new Jew plan for wiping out the right-wing "extremists", after the failure of the Oswald-Warren plot, may be a war between Israel and Egypt.

The anti-communist, Nasser, the only leader in the Middle East to throw his reds in jail, for years, has been hounded and driven into a position such that he can survive only by making "deals" with Moscow. Jews posing as "Arabs", as happened in the "Lavon" affair, are doing their utmost to stir up a "war" between Israel and the Arabs, and meanwhile, in typical Jew style, working day and night to create anti-Arab hatred in Americans.

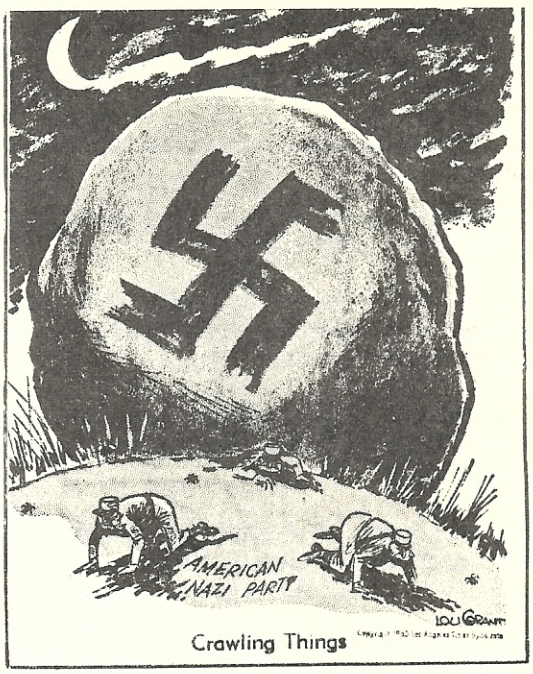
Then, with solid committments from our Jew-toady politicians to "protect" Israel in case of armed conflict, America would soon be drawn in on the side of the Jews. America would then be in a "war", -a PRO-JEWISH war, as usual, and all "anti-semites" could be grabbed as "enemies" and "fifth columnists", etc. -this in spite of the fact that the Arabs as SEMITES!

Whenever the truth gets too hot for them, God's Chosen liars get everybody steamed up in a big "war", in which it is "unAmerican" to tell any facts about these wonderful Hebes.

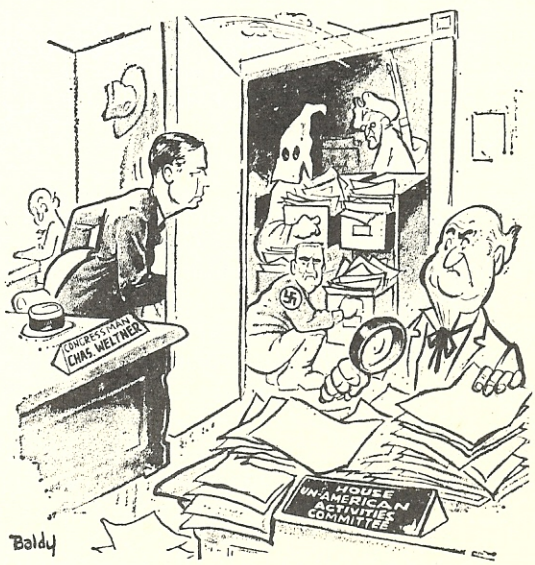
Everyday, I see more and more signs of such a new move to save the Jews from the wrath of outraged Americans.

In spite of his determination to love the Jews no matter what they say and do to him, Billy Buckley has been goaded into a few sallies against these Chosen Ones lately. Perhaps Bloomers and I can share Eichmann's old cell in Israel while we await Jewish justice, in case the Jew plan succeeds.

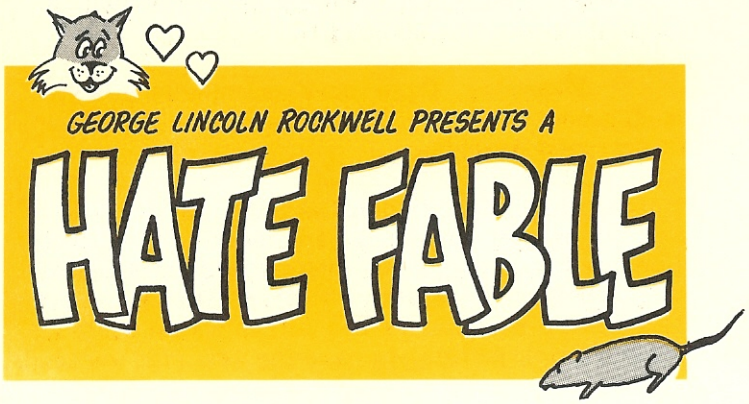
Stabbed By The Pen



Crawling Things



'. . . What's Going On In the Back Room?'
—Baldy in the Atlanta Constitution



There was once a farmer named (strangely enough) Farmer Brown.

Farmer Brown had a big RAT problem in his barn.

Dozens of big, black rats were eating up his grain.

So Farmer Brown went into the big city with a burlap bag.

He hunted all the slum streets and alleys for skinny, hungry, alley cats.

He let a whole bagful of skinny alley cats loose in his barn, and these starving, skinny cats soon had the rat problem licked.

In return for eating up the rats as fast as they showed up, Farmer Brown let the cats live in his nice, warm barn.

The cats got fat and sleek in the barn. No more fights for garbage in alleys. No more freezing to death on cold nights. No more starving.

In this delightful situation, the alley cats began to produce little cats.

The little cats never saw an alley. They never had to fight. They never tasted garbage. The old cats remembered what a hell those alleys were and didn't want their little cats to be "exposed" to such a rough life.

The little cats grew fat on black rats delivered all freshly killed for them by their parents, who were skillful hunters. The little cats got fatter and fatter and softer and softer. After a while, the little cats were griping and complaining when their folks didn't deliver tender rats fast enough to suit them.

One day a kosher cat from the big city heard about the easy life for some of the cats in Farmer Brown's barn. This kosher cat, who was named Karl Manx, wanted the nice, juicy black rats in Farmer Brown's barn. But there was one difficulty. The kosher cats weren't much good at fighting or hunting. They lived by their wits, swindling other cats out of their garbage in the alleys.

So this kosher cat, Karl Manx, sneaked out to Farmer Brown's barn, and wrote a note to some of the young cats living it up inside.

Manx's note consisted of a "share-the-rats" plan.

"Rats don't BELONG to anybody", wrote Manx. "Let us be RAT-icles", he continued! "The old cats have no special rights just because they CATCH the rats! I propose FREEDOM, JUSTICE! Equal rats for all! Civil rats! I am for the civil rats of young cats! Down with the old, greedy CAPITALIST cats!"

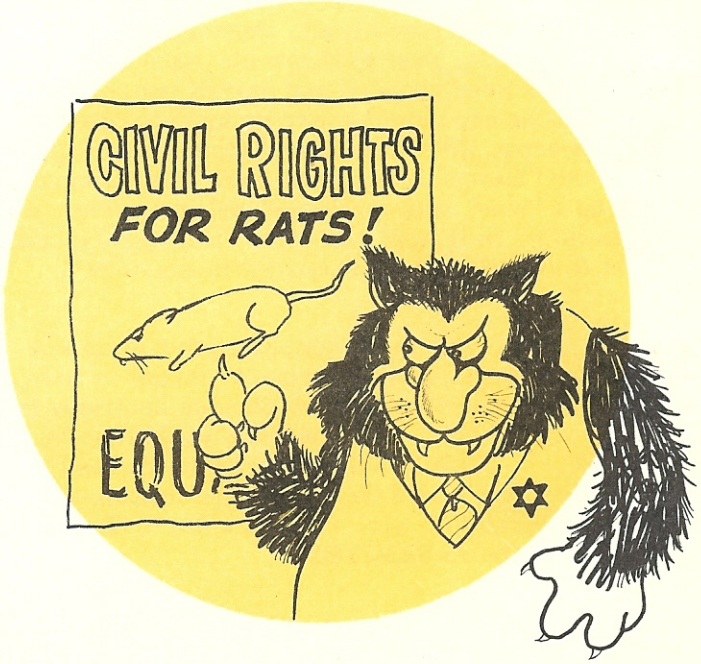
Manx sent his note in to the lazy, young cats, who read it eagerly.

"Yes", they all agreed! "We must dispossess the old FAT-CATS!"

Karl Manx went back to the rest of the kosher cats and whispered that things were going great with his plan. In no time at all, the kosher cats would have ALL the rats.

Next he returned to the young cats and began to preach something NEW!

"How about RAT's RIGHTS?", asked Manx. "Have you ever thought what it is like to be EATEN --to be CRUNCHED up in the sharp teeth of a cat? What RIGHT do WE have to eat these poor, innocent black rats? Do you realize that rats feel pain like we do, have tears just like us, bleed red just like us, have fur, have hearts, are mothers and fathers and weep for their little ones when we eat them?"



All the young cats began to snivel and sob thinking about the agony of the poor, downtrodden rats.

"We cannot realize the cat dream; we cannot be REAL cats, honest cats, if we keep up these barbaric practices of EATING these poor, defenseless black rats, just because we are bigger and stronger than they are. "Might", you know, "does not make right."

"Oh, how true, how TRUE!", sobbed the young liberal cats. "Only brutes would exploit their fellow animals in this wicked, selfish, feudalistic way!"

"Yes", purred Karl Manx, "it is FASCISTIC to eat rats!"

"Yes", yowled the young cats, "our parents are FASCISTS! Bigots! Nazis!"

"Hurray for RAT's RIGHTS!", squealed Karl Manx.

"Oh yes! Yes!", yowled the young cats. "RAT'S RIGHTS! Down with the dirty Nazi rat-eaters!"

"Down with the aggressors!", they chorused.

"Rats and cats of the world, UNITE!", howled Manx. "You have nothing to lose but your fascist fathers and mothers!"

When Manx had the young cats worked up properly, he took the next, bold step.

"You must right all the wrongs you have been doing to the rats all these years by EATING them! You must go to the rats and offer them LOVE!"

"Love conquers all!", meowed the most fervent of the young liberal cats. "We are all brothers!"

Manx taught the young cats to sing a new Civil Rats Song called "We Shall Overcome". The whole barn was filled with young cats howling the new kosher rat-loving song.

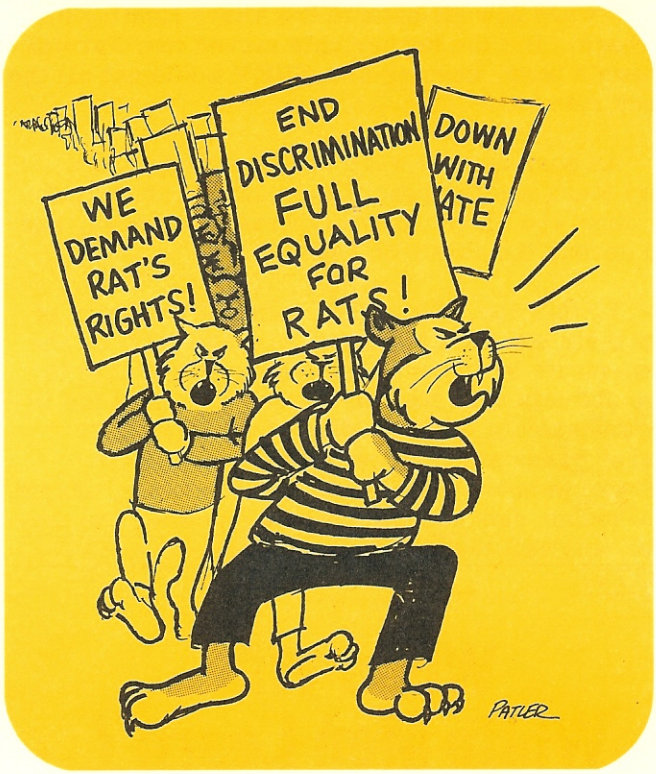
"Now we must all MARCH to the rat-holes!", purred Manx--and the young cats started marching around the barn, much to the horror of the older cats.

Finally, an old cat stepped forward and warned the young liberal cats listening to Karl Manx. "You are all crazy! The dirty, black rats are not our friends! You CAN'T be brothers with rats without deserting the very destiny devised for you by Nature. You will starve to death listening to Manx, and Farmer Brown will throw us all out of the barn. That's all Manx really wants, because HE WANTS ALL THE BLACK RATS FOR THE KOSHER CATS! It's a cheap SWINDLE!"

"Don't listen to him", howled Karl Manx and the other kosher cats who had now come into the barn. "He's a HATE-CAT, a bigot, a NAZI cat!"

The young cats turned on the old cats and hissed "HATE-CATS! Fascists! Nazis!"

"Don't you know those nasty old hate-cats MURDERED millions of our brother rats and cats! Six million, to be exact!", screeched the kosher cats.



"Down with the hate-cats! Down with the Nazi-cats!", screamed all the young cats at their parents.

"Good! Excellent! Fine!", purred Karl Manx. "Now we must get together with our rat brothers! We must put an end to HATE! We've got to MIX!"

"Hurray!", cheered the young, liberal cats. "We've got to MIX! EVERYBODY must mix!"

Manx then had the young cats send a delegation to the rats with offers of love and peace.

The stupid black rats thought heaven had arrived and poured out of their holes. Manx arranged a giant march of all the young cats and black rats around and around the barn, singing "We Shall Overcome".

The mob of mixed rats and cats raided Farmer Brown's stores, tore up his fixtures, swarmed through everything, leaving their droppings and shouting "FREEDOM!".

Suddenly the barn door flew open, and there was Farmer Brown!

When he saw what the foolish young cats were doing, and how they were JOINING the big, black rats to destroy his barn and everything in it, he drove out ALL the cats. The rats scampered back to their holes.

Next day, Karl Manx, the kosher cat, was calling on Farmer Brown for the barn franchise. The old and young cats, who had it so good in the barn, were now all back in the alleys fighting for garbage. But the kosher cats moved into Farmer Brown's barn, assuing him THEY would eat all the black rats.

As soon as they were moved into the barn, Karl Manx and the rest of the kosher cats forgot all about the "love" and "civil rats" business, and did devour the rats with relish!

To this day, the kosher cats tell the story of how their boy Karl Manx got ALL the rats for the kosher cats by teaching the other, stupid cats to love and mix with the ugly black rats. And the little kosher cats laugh hardest of all when their kosher papas and mamas tell them how their kosher cat hero, Karl Manx, got the young, stupid, non-kosher cats to hate their own daddies and mamas, and call them "Nazis" for preaching RAT-EATING.

When Will White Men Learn?

The Birch Society is yowling "We ain't Nazis", the States Righters are hollering "We ain't Nazis", The Citizens Councils wail, "We ain't Nazis" and Governor Wallace not only howls that he ain't a "Nazi", -he goes so far as to say, quote, "Racism is EVIL"!

Nevetheless, with the unerring instincts of rats smelling a cat, every Jew, Shabez-goy and liberal is calling Alabama "Nazi", and Alabama policemen "Stormtroopers". Actually, Hitler DID say that Whites were a "Master Race" and Jews were mostly no good parasites, -for which we all got together at the demand of the Jews and killed millions of good, White, Christian RACISTS in Germany. Now they want us to go and do it again to the SAME KIND OF GOOD PEOPLE in the U.S. South. And the incredible, unbelievable, insane thing about it all is that the Southerners are almost more anxious to damn Hitler than they are to fight the common enemies of Hitler and the South and all White, Christian people, -the Jews!

It all reminds me of a story I heard a few years after the war, when the Jews were in full cry hunting down "Nazis". The story had it that Hitler's body had finally been discovered. Pinned to it was a note: "I WASN'T A NAZI!"

Naziism In Alabama

The sickening and shocking brutality that erupted in Selma, Ala., was like a nightmare scene from a different world and a different time from the United States of 1965. The mass attack by heavily armed state troopers on citizens gathered to meet in peaceful protest to denial of their rights as Americans must be compared with the white persons would have been forbidden by the governor and would have evoked such an outburst of malicious bloodletting as the Negro march brought on. As hundreds of white ministers from around the nation were preparing to join the Negroes in a new march, it was rumored that Gov. George Wallace had issued new orders

Belling The Cat

Almost every day I get letters and visitors who often go to a great deal of trouble to tell me how to "do it".

These people, many of them well-intentioned, are truly convinced they have the answer to the secret of total victory for White Christian patriots.

"If you would only do thus and so", these people earnestly implore me, "you will have millions of members and dollars almost overnight!"

A good example is the man who drove all the way from Wisconsin to tell me in the utmost urgency that all we had to do was pass a law excluding the Jews from the press, TV, movies, etc.

Rightwing literature abounds and fairly bursts with this sort of suggestion.

A more subtle example of this sort of panaceaism was the Campaign For the Forty-Eight States, set up and promoted by Ralph Gwinn, a representative from New York, and Robert Snowden of Hughes, Arkansas. When I was a conservative, I had high hopes for the Campaign and worked with Bob Snowden to help get it going. The purpose of the Campaign was to get five amendments passed into the Constitution.

Nothing was ever said or even hinted in the entire campaign of anti-Semitism, so-called. The whole idea was simply to get passage of these five amendments.

But these amendments were to have utterly stripped the Jews in America of their power and pelf.

The Jews would have had to be blind, stupid and mad to permit these amendments to get into the Constitution without resorting to all-out revolution.

The Campaign For the Forty-Eight States and most of the other "conservative" organizations and campaigns as well as all of the "miraculous", cure-all suggestions for immediate and total victory all make the same basic and fundamental strategic error.

They all ignore the fundamental fact that none of their aims could possibly be accomplished without TOTAL NATIONAL POWER.

They all forget that the Jews are planning REVOLUTION in this country, such as they have brought about in every country overwhelmed by Jew-Communism. The only reason they have not produced all-out violence yet is that the citizenry is not quite brain-washed enough.

But if ever it appeared that any of the conservative organizations such as the Birch Society might actually win POWER (something they loudly claim they do not seek), the Trotsky-type Jews would be bombing and shooting in the streets in the very next moment.

The "conservatives" and all the fancy suggestions for "doing it" remind me very much of a story I read when I was a kid about the time the mice all got together to see what they could do to stop the cat from eating so many mice.

One of the mice came up with the brilliant idea of tieing a bell around the cat's neck so the mice would always hear it coming and escape. The mice cheered lustily and approved of this plan. However, when the first and most necessary step in the plan came up, namely the need for some mouse to actually tie the bell around the cat's neck, the plan collapsed.

All the "fancy pants" conservative schemes and plans which evade the Jewish question and do not lay plans for street fighting and combat when the need arises, are like the fearful mice planning to bell the cat but without the nerve to attempt the task.

Wrong as they are, tactically, only the Ku Klux Klan of all rightwing outfits in America, besides the American Nazi Party, dares to go after that big, ugly, Jew "cat"!

Even the Minute Men are planning action only after our country has been already "gobbled up".

The Klan, I believe, from the holiest and purest motives, and with admirable courage, does the best it knows how. My objection to their operations are strictly strategic. Terror, to be effective, must be total. If you twist a lion's tail, you had best be ready to face the other end. I absolutely forbid illegal operations and terrorism by the American Nazi Party and its members not because I would hesitate to take any measures which might be effective to stop Jew-Communism and their Black revolution, but only because the Klan methods play into the enemy's hands and produce martyres and national upheavals which are then used by the enemy to pass unconstitutional, Communist laws to further their revolution.

To avoid being "gobbled up" by the Jew-Communist cat, we cannot just talk about belling it; we must be prepared to "kill" it.

And to kill Communist and race-mixing treason, we are going to have to win NATIONAL POWER!

To the best of my knowledge, the American Nazi Party is the ONLY rightwing group in America which is openly, realistically, truthfully and ruthlessly driving toward that national power which is the sine que non of all of the best laid plans of the rightwing groups.

BITS OF BIGOTRY

Jews have long insisted that they must not be called simply "Jews" by Christians. Sounds too much like "hate". You'll notice most TV and radio announcers say, instead of just "a Jew", -"a person of the Jewish faith". . . . Niggers are now demanding the same super-respect from us. Perhaps we should refer to them as "persons of the jiggish faith".

●●●

People who damn Germany for "starting" World War II can sometimes be helped out of their brain-washed damned foolishness, I have found, if they are asked what THEY would do if Mexico won a war as an "ally" against us, and was given Texas, Louisiana and Mississippi as a reward by Mexico's other allies. How many "hate-Germany" "patriots" would sit still FOREVER, while Americans were brutally kicked around by a bunch of RED MEXICANS who "owned" Texas, Louisiana and Mississippi as a result of a rotten "treaty" enforced by the "allies" at gun-point. That's PRECISELY what the Versailles treaty did to Germany after World War I in taking away huge chunks of Germany which were full of GERMANS, and turning them over to Poland, Czechoslovakia, France, etc. Ask these German-haters if they would not scheme and eventually FIGHT to get BACK Texas, Louisiana and Mississippi from Mexico.

●●●

Language researchers have divulged to me something which seems most logical. . . The Russian word for "Jew" is "Zheed", pronounced "sheettd". They tell me that early Anglo-Saxons heard Russian sailors using this word for Jew with such a derogatory tone of voice and in such situations that they thought it was the word for human excrement, --whence comes the four-letter Anglo Saxon word so popular with the Jews' friends, the niggers.

Right now, it is out of the question to advocate beards and whiskers, because they are currently the very badge of treason and villainy. Nevertheless, I am a lover of NATURE, and believe the Lord did not give males beards by accident, but as a badge of authority, strength and MALENESS. Can you imagine a LION with his mane shaved off, or a hornless bull, etc? When I hear people, especially women, cursing beards as "filthy", etc., I gently remind them that Jesus had a fine beard. Can you IMAGINE Him without the beard, looking like some Madison Avenue slickster? Even more striking, can you imagine Michael Angelo painting GOD, --clean-shaven? I think the reaction shows that the beard is the sign of fatherliness, maleness and authority. As soon as we have got ten rid of the last traitorous beatnik communist, I shall launch a public-relations program for BEARDS on real MEN. (OK, ladies, so don't vote for me!)

Jew and liberal columnists and editorial-writers are bombarding us with their demands for the registration of all guns, etc. The Washington Post recently ran an "idiotorial" in which they asked if it was not outright insanity to let absolutely ANYBODY have a gun, when the Country is so full of "idiots" and "fools", etc. . . . . At the same time, these Jews want to hand a much more dangerous weapon to EVERY idiot and fool, at the point of Federal boyonets, if necessary, --they demand that we give the VOTE, -the right to control the life or death of all of us, -to the same "idiots and fools" they don't want to have a little gun!

Jews never cease blasting away at the evil of "fanatics". Everybody is supposed to be sort of mild and wishy-washy today. Too many of our own people are disarmed by this garbage and rendered helpless and ineffective in a FIGHT. You can't win a life-and-death battle as a "moderate". There are good and bad "fanatics". The "heroes" of the liberals and anti-fanatic forces were all RAGING FANATICS like Marx, Lenin, Mrs. Roosevelt, et al. To beat such dedicated scum, WE must be fanatic in our determination to wipe them out, as they are busy right now wiping US out. I am PROUD to be a "fanatic" for the White, Christian people who built Western Civilization!

Last year General Motors came out with a Chevy model called the "SS"! ... It stood for "Super Sport", of course. ... But this did not make it any sweeter for the Jewish "love mongers". I notice the "SS" bit is gone in the Chevy ads this year ... Another massive victory for the Anti-Defamation League!

Not only did Billy James Hargis hold his recent convention in Jew Miami Beach--and without any difficulty--but he is now advertising a spring tour of ISRAEL! I wonder just HOW and WHY Mr. Hargis can get a visa not only to go to Israel but to make money running a commercial tour over there?

Two of our boys who tried to picket a big nigger demonstration in Dallas recently were arrested for allegedly "illegally participating in a parade" ... to put the charges another way, they were arrested for "impersonating a nigger".

Secret agents in the White House inform us that Lyndon has a new slogan ready for 1968:

The London Jewish Chronicle contains a long article proudly reporting the "reward" won by a Jew cab driver in London who ripped a Swastika necklace from the neck of Mrs. Colin Jordan.

This British Jew rag, believe it or not, raves on and on about the heroism and courage of this heroic hebe in attacking Mrs. Jordan. This Jew has moved to Israel, where the other Jews have set up a huge bank account for him, giving him a $ 15,000 taxi license, etc.

To put this "hebrew heroism" in its proper light, can you imagine how "courageous" the Jews would say I was if I attacked Jewess Barbara Streisand and ripped a Star-of-David necklace from her neck?

There simply are not enough vile synonyms for the word "coward" in the dictionary for the Jews in describing the same act if I did it to a Jewess.

Before I became too well-known in my current bete noire role, I was befriended by a Hungarian aristocrat--a baron. He had been in charge of the cleanup squads which swept through Hungary after Bela Kuhn (Cohen) was finally overthrown by the Hungarian Christians. The baron and his men went from town to town holding court, trying, convicting and hanging the Communist traitors to Hungary. The baron reported to me a very revealing fact. He said that when the non-Jews who had participated in the Communist rape of Hungary were hung, the crowds were silent and often even touched. But when it came time to hang a Jew, these arrogant terrorists got down on all fours, crawled, whined, wailed, howled, screamed, screeched and generally made such fools of themselves that the crowds could not help laughing. What other race but Jews could achieve such depts of cowardice so that they become actual buffoons at their own hanging?

The following will probably be hard or impossible to believe, but I swear, by all I hold holy, on the level, this is the truth: After years of searching, I finally have the ideal "bodyguard". Storm Leader Ken Taylor and his wife, in California have obtained for me and sent me a beautiful pup which is half-wolf and half Alaskan Malamute--a real "hate" dog.

It arrived here by air from California after it had just been weaned at 6-weeks old. For the first few days, to assuage its loneliness, I kept it in my room for company.

As you enter the door to my room, you must walk on a huge flag with a six-pointed star one of our members found in a dump where the Jews had thrown it. (!) I keep it there to watch the discomfiture of Jew newsmen who come to interview me and are forced to walk on it.

So help me, with unerring instinct, the little pup would not use the papers I set out in a corner for him, but has covered the Jew flag with appropriate "glory"!

Dear Mr. Kuppers:

I have seen some of the OPEN LETTERS TO A U. S. SENATOR. I also get DON BELL REPORTS & CLOSER UPS now and then. I am pretty well aware of the points they make.

I have never heard of the man you ask about. A high-ranking naval officer tells me that Rockwell is a retired Navy Commander of great ability and great patriotism. He seems to need, if I judge correctly, someone to show him how to be more practical. The word "Nazi" means nothing in the world except "National" and since we speak English why shouldn't the gentleman have used the word "national" or "nationalist".

All of your remarks on colleges and the general trashiness of people in this country are well-founded. The only hope lies in the fact that more people are learning that the Jew is the cause of all our woes. For instance, a book reviewed recently in the WASHINGTON STAR told how communism appealed to Jews but had made no headway among Negroes. I have tried to put that point over to the editors of THE AUGUSTA COURIER,& THE GEORGIA TRIBUNE but they will not see the truth. In my opinion they probably get a little Jewish hush-money. THE TEXAS COUNCELLOR on the other hand accepted my advice and opened up on the Jews.

Sincerely yours,
John Beaty

Jews Forging Their Own Chains

There is much to moan and groan about in the decisions of the Supreme Court and the new, red "laws" being passed every day now. They are surely brutal chains about the necks of our people.

But those of us with faith that we will WIN this desperate battle get a lot of comfort over one thought; every chain they forge to tyrannize our White, Christian people will SOON ENOUGH BE HAMMERED AROUND THEIR OWN NECKS.

I am a fanatic in my belief in the law and due process. I feel that we would be little better off beating the enemy if we do it at the cost of the anglo-saxon system of justice and law which we developed over the centuries.

But the precedents which the rats themselves are creating will serve is well.

Concentration camps?

Roosevelt set up the FIRST ones at Tulare Lake in California for the Japs, although the Jap inmates were guilty of NOTHING but being Japs. They were a "danger" so away they went to prison camp. And when we have proven and declared the JEWS a "danger" to America, -which most of them ARE?

Right of government agents to bust in and search for health violations without a warrant?

Terrible and wicked indeed. But we shall soon enough quote their own dirty words as we bust in on THEM, according to their OWN law, to grab the evidence of their treason and betrayal.

The endless "rights" of COMMUNIST RATS?

I am already using these same "sacred" rights they have promoted to publicly advocate getting rid of THEM, and there's nothing they can do about it. I am speaking at colleges all the time, because THEY have so tirelessly insisted that college students have "academic freedom" to riot and do as they damn please, -on behalf of the reds! Now the liars can't stop us dirty "Nazis"!

He who forges the chains of slavery may well find his own neck in the yoke some day!

Jolt The Liberals

I have discovered a very effective way to shock the pants off sincere liberals.

I ask them to think back to about 1937 and imagine that a member of the German American Bund, who had gone over to Nazi Germany, renounced his American citizenship, and then returned to work again for the German American Bund--had then shot President Roosevelt.

How many liberals would then be quite satisfied if Senator Joe McCarthy were appointed to investigate and then reported that there was absolutely no connection between the Nazis and the shooting of President Roosevelt?

Then just lean back and watch the look of horror spread across their sappy liberal faces!

How Hitler Could Have Won

Our German friends report there is some grumbling among secret Nazi groups over Hitler's failure to put into action a sure-fire plan which would have won the war and stopped the bombing of German cities.

They wanted to stake out the Jews on German roofs instead of putting the reds in Concentration camps. Far from gassing the Jew communists as the Jews are screaming, Hitler was too soft-hearted for even the roof-plan!

Armed Robbers vs. Embezzlers

A good way to get a clear picture of the two different branches of the Jew plot to master the world and own all its wealth is to see that the two Jew gangs of crooks, the Zionists and the Communists, are very like two other kinds of more ordinary crooks; embezzlers and robbers.

The Capitalist, Zionist Jews are a gang of EMBEZZLERS, busy swiping your money, real estate and Country by SWINDLING innocent and good-hearted people. They do this, wearing their beannies, kaftans, curls and prayer-shawls. They are busily praying you into their salt-mines, while you protect their "religion".

The Communist Jews can't see the need for all the hanky-panky with the beannies and the Bible. They believe, like Lev Bronstien, (Trotsky), head of the red army, in seizing your goods and you by naked force and terrorism.

Both gangs have exactly the same aim, and thus often cooperate. Both "cover" for each other and both attack any Goy foolish enough to expose either one.

But once in a while, like a pack of bloody rats squeaking and fighting over some choice morsel, these Jews get to fighting each other, as do the Commie Jews and the Zionist Jews in Russia.

But even this is a foul swindle, for then both groups use this to prove that Communist Russia is ACTUALLY the same as Nazi Germany, and is viciously "poisecuting" the Jews again.

There is only one trouble with this part of the swindle; whenever any nation really goes after this hateful tribe, the Kikes in all the other nations launch what is called a "holy war" against the offending "anti-semitic" nation. So far, world Jewry and particularly American Jewry have not given any sign of wanting to wipe out the Soviets, as they went after Hitler. Until I see at least some signs of such anti-Soviet agitation against Russia by the Jews, I shall continue to believe that the "robber" Jews, the armed, atheist BANDIT Jews are running Russia, and are only going after a few SWINDLER, Zionist Jews in Russia from time to time for crabbing the "Communism-isn't-Jewish" act.

More Proof of Nigger Inferiority

Every time I get thrown in jail, I am forced to envy the niggers one of their abilities.

Niggers can sit staring at nothing for hours and hours and hours and hours and hours.

An intelligent being, forced to sit alone in an empty cell with no reading material, no window, no sounds and nobody to talk to soon grows miserable just from the ache of endless, empty thinking.

Not so with the jigs. I have seen them sit for hours on end, -their only movement an occasional blink, -for all the world like a snake sunning himself on a rock. There are advantages to being a close relative of bugs and snakes and vegetables.

Young Russian Jews Defy Government

15,000 Dance in Street on Simchat Torah

NEW YORK, (JTA) — Despite the stern official Russian policy against any manifestations of religious practice, one of the most unusual demonstrations ever witnessed in the Soviet Union occurred when a vast crowd of Jews—including at least 15,000 young boys and girls defied the government and gathered in a square in front of the Central Synagogue of Moscow to celebrate Simchat Torah.

According to a highly reliable American who came back from Moscow this week, the crowd in the square started gathering at about twilight, while inside the house of worship other Jews were preparing to observe Simchat Torah under the spiritual leadership of Chief Rabbi Yehuda Leib Levin. In a short time, the Jews gathered in the square numbered thousands. By mid-evening there

bration emanated from the synagogues, the crowd outside, led by the youths, started singing and dancing. Songs were rendered in Hebrew and Yiddish. The youths whirled in the square, dancing the horah and doing other traditional turns. The dancing continued until midnight.

The American was told by Moscow Jews that the Simchat Torah demonstrations was the largest and most enthusiastic in Moscow in many years. Russian Jews said that the demonstration constituted a mass answer on the part of Jews, especially the youth, to the Soviet Government's effort to wipe out virtually all traces of Jewish religious practice. The fact that many of the songs were in Hebrew, indicated not only that the youths were declaring their friendship to Israel but showed also that, despite the fact that Hebrew

BEHIND THE STORY

The incident illustrates the intense growth of Jewish consciousness among Soviet Jewish youth despite—and at times, because of—the Russian government's anti-Jewish policy. Whereas last year, a similar demonstration took place in Leningrad, this year's demonstration in the Soviet capital is considered highly significant as a bold, open defiance of the government.

The result of the demonstration are expected to increase Russian efforts to crush Jewish tradition and we may expect more severe decrees in the near future. This in turn expected to strengthen the those Jewish indi-

And here's Moscow's "Chief Rabbi" pictured in "USSR" magazine coming on strong with "Kol Nidre" over a "peace dove". And below, more pictures from USSR with plenty of evidence the "poor, persecuted" Jews are STILL with us, after "gassing" in Germany and "persecutions" in Russia.

Geshl Gevich, an alumnus of the Yeshivah headed by Rabbi Levin, conveys his birthday wishes from the pulpit. He will soon become a rabbi himself.

Ambassador Yosef Tekoah (left) and members of the Israeli Embassy staff, who often attend the religious services at his synagogue, came to congratulate Rabbi Levin.
